# COMPANY OVER HISTORY

## *Our Journey Begins*

Our company that has established since 2013 by four passionate project management professionals, is one of the well-respected training and consulting firm in Indonesia. Based in Jakarta, Avenew provides excellence services in project management including consulting, training, outsourcing and publishing that serves leading businesses, governments, non governmental organizations, and not-for-profits.

## 2013

We were the first training provider who ran PMI-Risk Management Professional (RMP) certification training in Indonesia and helped many professionals to pass their Project Management Professional (PMP), PMI-RMP dan Certified Associate in Project Management (CAPM) on their first attempt. Our experts had received many invitations to speak in International Project Management conferences and events.

## *One Year Later*

Avenew had a very brilliant start at the beginning of its journey. With a combination of creativity and state-of-the-art tools, thinking and practices, we delivered a comprehensive project management trainings in several corporates.

Along with valuable trust from major corporates, Avenew aims to build a continuous relationship with organizations seeking management support. In order to provide Avenew's clients with continuous capabilities improvement through continuous education and consultancy, Avenew has been collaborated with Project Management Institute Indonesia Chapter to elaborate the latest methodology and tools development and upgrade in project management.

We became one of project management training provider that endorsed by PMI Indonesia Chapter and published several Project Management books especially in Project Management certification preparation, such as: PMI-RMP Exam Preparation & PMP/CAPM Exam Preparation.

The key values of services company are quality, passion and the ability to add value through creative innovation and excellent performance. We provided our valued customers a coaching model to deliver real results for our training services.

## 2014

# Growing & Giving Back

**2015**

We started our first consultancy project and add value through creative innovation and excellent performance. Our mission is to contribute in producing certified project managers in Indonesia, then, we collaborated with VMEdU with brands like PMStudy, SCRUMstudy, to deliver online learning in Indonesia in order to help them access valuable knowledge. Another milestone has been achieved by producing new references for PMP candidates that will help them preparing the exam.

We are committed to making a positive difference to the world. We address societal issues because it's our responsibility, and because it improves the condition of the societies in which we, our families, friends and clients live and do business.

## Integrated Solution

As a creative project management services, we provide integrated services in project, program & portfolio management to all clients which came from various markets through projects spreads in all over Indonesia. Our consultant team comprises of people from various scientific backgrounds in order to be able to create solution with the highest international standard, and innovativeness as the result of oriented approaches.

Till this day, Avenew Indonesia has improved many organizations performance by providing solutions through project, program & portfolio management. We believe that our partnerships with our clients are built based on the value of mutual trust and respects and our success is best reflected through the success of our clients, our trainers, our program and all those whom we are able to touch with our services.

For us, customer satisfaction DOES MATTER. With our sincerity and integrity, we aim to always improve our values and services.
